ANTICIPATED GRADUATION DATE: Spring 2026

DEGREE: Associate of Science in Graphic Design

ABOUT ME

ABOUT ME: I grew up in Kansas, but Springfield has been my home now for many years. I am a Graphic Design student in my 2nd semester at Ozarks Technical College.

PROJECTS: I have learned a lot in my short time at OTC including: drawing, photography, building websites, and graphic design. See some of my projects linked above.

HOBBIES: When I'm not at school or work, you can find me walking outdoors, drinking coffee, or playing pickleball.

GOALS: I hope to work in a field that combines some attention to detail and organization along with graphic design work.
